Color

A Language Without National Boundaries

色彩：没有国界的语言

色彩是美的最直接表达，超越地域与种族，色彩的力量诉诸视觉，感动内心

每一色彩都有其性格与情绪：优雅、高贵、神秘、诡异；张扬、粗犷、婉约、沉静……

色彩即情绪的外延，同时亦是情感的内敛；而我们的全部努力在于：赋予色彩以形体，将之由物态还原为审美
于是表达成为必要，沟通成为可能

Color is the most direct expression of beauty and oversteps the boundary of territory and race.

It is caught sight of by visual organ and capable to move hearts.

Every color has its own character and mood: graceful, noble, mysterious, strange, bold, dynamical, soft, peaceful, etc.

Color is the extension of mood and the intension of emotion.

Our effort is aimed to bestow color with shape and transform material to aesthetics.

In this case, expression becomes necessary and communication, possible.
